On December 7, 1963, at approximately 1:30 P.M., I received a telephone call at my home from a person identifying himself as Darwin Payne, representative of the Dallas Times Herald.

Mr. Payne stated his reason for calling was to verify statements made by me to the Radio and Television News Media on November 24, 1963 shortly after the assassination of Lee Harvey Oswald (accused assassinator of President John Fitzgerald Kennedy.)

Mr. Payne then asked several questions pertaining to that interview of November 24, 1963. Mr. Payne's questions seemed to be warbutin of the interview in question.

I will quote them as near as possible as they were asked, in their sequence and also my answers, which were nearly always in the affirmative or negative.

Mr. Payne: - "Were you at the armored Car when the shot was fired?" Answer: - "Yes."

Payne: - "Did you see the person that fired the shot at the

time it was fired?" Answers - "No."

Payne: - "Did you see the person that fired the shot shortly after it was fired?"

Answer: - "Yes."

Payne: - "Where? Was he inside the jail office and on the floor at that time?"

Answers - "Yes - he was on the floor and being restrained and handouffed by several plainclothes officers." Payne: - "Did you recognize the subject at that time as a

person you knew by sight?"

Answer: - "Yes !! 2.

ayne: - "Did you or had you seen this person prior to this time in or around the City Hell?"

Answer: - "No."

Payne: - "And you didn't see this person enter from the Main
Street ramp?"

Answer: - "Definetely not."

Payne: - "Did you see anything at the time of the shooting?"

I assumed by this question that he meant a flash from the gunfire and I asked him was this what he meant and he said yes. I then adviced him that I asw mucks from the blast, and I ran immediately to the scene to control the crowd.

This terminated his questions and I asked Mr. Payme the reason for him calling as all this was old news. He then stated he was just verifying this interview and that he cidn't really know what the Times Herald was going to do with this information.

I made myself very clear to Mr. Payne that I had not seen Ruby at anytime before the ahooting in or around the City Hell.

On Sunday when I arrived at my home I noticed the subject articles and read same with much interest and reached the conclusion that this article possibly had evolved from the telephone conversation on the previous day.

I immediately called an aquaintance and friend that is employed by the Times Bornal to assertain the identity of the reporter and this person stated be did not know who had written the article. I then noticed the he did not know who had written the edition, Mr. Bob Fenley, and I called indentified upself and saked him if he could active ne who had indentified upself and saked him if he could active ne who had not then the article. I then called Mr. Payne at his home, telephone WH 6-5892, and caked him if he had written the article and he stated that he did.
